### **Dynasty Sport Wellington 8s - Men**

The format for 8s is 3-Bowl Pairs, 2-4-2 Pairs and Fours. Each division will consist of up to 10 clubs, where possible with qualifying based on the previous season's final placings.

### **Dynasty Sport Wellington 4s – Men/Women/Any Combo**

3. **Entry fee.** An entry fee of \$100 per side will be charged for teams entering the Sevens and Eights competitions and \$50 per side will be charged for the Fours. Teams that withdraw after the closing date are not eligible for a refund.

#### 4. **Conditions of play**

##### **Time**

- a) All games, including play offs, to be completed within three hours of the commencement time.
- b) All morning games to commence by 9am and afternoon games by 2pm unless advised otherwise.
- c) Rinks for a match are allocated by the home club with the rinks for each discipline being drawn by lot by the visiting team.
- d) With double headers, the second game, if not started by 2pm, may be delayed with the approval of Gerry Macgregor, Interclub Coordinator. Contact Phone 027 222 5584. If unreachable, both sides must explicitly inform the centre via email of their agreement to delay the game by emailing [info@bowlswellington.com](mailto:info@bowlswellington.com).
- e) If a team, for whatever reason cannot arrive at the venue on time, they must contact the opposing Interclub Coordinator (not the club) and have their express permission to delay the start, otherwise the match will be treated as a default.

##### **Game Stoppages**

If a game is stopped because of darkness, weather conditions or any other valid reason, the game shall be continued either on the same day or on a different day and be completed within the original 3-hour time limit. Scorecards must have the start and finish times recorded. The scores will be as they were when the game was stopped. Points will only be awarded where the full game has been completed.

## 5. Match Definition

A match is a competition between two sides, played over 3 disciplines. (2 disciplines for Wellington 4s)

### Match Points

The match points in each match will be the total of the game points awarded to each side over three disciplines:

Game Win	7 points
Game Draw	4 points
Game Loss	0 points
Bonus Point	1 point

A Bonus point will be awarded for either winning by a differential of 11 or more shots or for losing by a differential of 2 or less shots in any discipline.

## 6. Round Robin Division Placings

Placings in all divisions will be decided by the sides with the best overall **match points** from all rounds played.

At the end of the Round Robin stage, should two or more sides be equal on **match points**, the side with the most **game wins** will determine the winner (or higher placed team). If still equal, the side with most **game wins and draws** will be the winner. If still equal, the side with the **best overall differential** will be the winner. Finally, if still equal, it will be determined by the **winner** of the match when the 2 sides last met.

## 7. Finals – Premier Only

The Premier winner will be decided by a top four playoff, played where possible on the green of the winner of the round robin, referred to as the Minor Premier.

### Play Format

The playoffs will be played on a round robin scatter draw basis, with a 3-hour time limit on all games.

## Match Points

The scoring is as set out in 5.

### 8. Promotion and Relegation

Promotion and relegation will be automatic (excluding Quads) with the exchange of two eligible Sides i.e. 1 up, 1 down within each division.

Should a side be ineligible to be promoted (ie. the club already has a team in the division above), then the next team (as far down as 4<sup>th</sup> in the division) is eligible to playoff against the side to be relegated. This match will be played at the club from the higher division with scoring as set out in 5.

If there is no eligible side, no playoff will take place and the current position will stand for the following season.

### 9. Player Movement

Players may move between divisions at any time. However, *the Centre expects clubs to play within the spirit of the game.*

Players cannot play for multiple clubs during the competition (any division), regardless of whether they are dual members or they transfer clubs during the season. Any team who has been found to have played an ineligible player will retrospectively default the match with points deducted and given to the opposition as per default loss.

### 10. Team Lists and Recording Results

All Premier clubs must submit their team lists to [bowlswellingtoninterclub@gmail.com](mailto:bowlswellingtoninterclub@gmail.com) by 12pm the day prior to each interclub round.

#### Results

Club coordinators are responsible for recording and submitting results on the official Results Forms. The results must be emailed [bowlswellingtoninterclub@gmail.com](mailto:bowlswellingtoninterclub@gmail.com) by 9am Monday following the Interclub round.

For Premier only, the Interclub Coordinator will ring the host clubs for results shortly after play is scheduled to finish. Club coordinators are to retain scorecards for each round until final placings are confirmed by the Centre at the end of the Interclub season.

#### **11. Markers/Scorecards**

Host clubs are responsible for providing Markers and the provision of scorecards. If host clubs cannot supply Markers, they must ask the visiting club to assist.

#### **12. Cancellation and Transfer of Greens**

Due to microclimates, Bowls Wellington will not postpone Interclub due to weather except under exceptional circumstances. Clubs retain responsibility for their green closures and should post any updates on the Bowls Wellington website on the Cancellation page. Clubs have been informed how to do this.

Due to the tight nature of the schedule and potential for disruption later in the season, clubs are encouraged to show good faith and make every attempt to play the round on the scheduled day. Where host greens are declared closed, the following actions are to be taken by respective Club Teams/Managers/Coordinators.

- a) In the first instance, the opposing Club is to be given the opportunity to play the Match at their greens. If this is not possible an alternative venue may be arranged by the Clubs concerned (original host club has first choice).
- b) To assist coordinators to arrange alternative venues, sides must not be released before 9.30am.
- c) A time limit of 3 hours will apply from the start of play.
- d) If greens are unplayable due to weather and the above options are not available, the host club is responsible for cancellation of play.

Prior to 7.00am cancellations can be faxed to Newstalk ZB on Fax 801-5656 or phoned through on 04 472 1035 with the following wording:

The (*name of club*) greens are closed. There will be no interclub play at (*name of club*) this morning or, as an alternative “there will be no interclub play at (*name of club*) before (*time*).

- e) Where Premier matches are cancelled the Centre Interclub Coordinator (Gerry Macgregor - 027 222 5584) must be advised immediately.

### **13. Defaults**

If a partial Side plays, the completed games shall count as normal. The defaulting discipline shall be deducted 7 points for each game not played with the non-defaulting team awarded 7 points. The deduction will apply unless there are extenuating circumstances approved by the Controlling Body.

### **14. Withdrawal of Sides**

No refund will be issued after the draw is published.

### **15. Footwear and Clothing**

Refer to General Conditions of Play Section 11.

### **16. Synthetic Surfaces**

Are approved for use during Interclub provided they have the required grading.

### **17. Progress Results**

Progress results will be uploaded on the Bowls Wellington website ([www.bowlswellington.com](http://www.bowlswellington.com)) within 7 days.
